Faculty Senate – Academic Affairs Council

Meeting Agenda

Wednesday, April 7, 2021 – Webex – 2:00 PM

Notetaker: Rahul Parsa

Others attending: Ann Marie VanDerZanden, Valentina Salotti

1. Approve Minutes – February 10, 2021 Meeting
   a. Don Beitz Motioned, Tom seconded, unanimously approved

2. Old Business
   a. Updates on status of U.S. Diversity Proposal
      • Sarah – reported that executive board discussed the proposal and adopted the learning outcomes but modified the preamble. Ann Marie reported that the proposal will be shared with the students and get their feedback.

3. New Business
   a. Master of Healthcare Analytics and Operations – Salotti (BUS)
      • Mostly online program with 24 credit focused area of study.
      • Strongly supported by the market research which indicates that this is a unique program which addresses the challenges and issues faced by the US Healthcare industry. This program is the only one of its kind and capitalizes on the strengths of the Ivy College of Business and the specific challenges of healthcare, particularly in the US Midwest.
      • Passed departments and college curriculum committees
      • Beitz moved to approve, Parsa seconded to approve
      • Approved 10-0-0

4. Good of the order

Next Meeting: Wednesday, April 21, 2021 – Webex
