2C. Policy/Issue Prioritization <ul style="list-style-type: none"> From 100 Ideas in 100 Days discussion <ul style="list-style-type: none"> Review the policy that allows Academic Standards Committee in each college to set higher GPA and other requirements for re-admitting students (following dismissal) – consistency across colleges Review and revise the Progress/Probation/Warning Policy – differences for students with > 75 credits – The entire policy needs reviewing Maximum credit limit per term (18 cr – undergrad) – while exceptions are allowed, this could be an obstacle for some high-achieving students and may impact time to degree – also should there be different limits for students on probation/warning or reinstated? (https://catalog.iastate.edu/registration/#limitsholdstext) Review policy for transfer deficiencies 32 credit rule. If 12 credits are required for full-time status, and an average credit load is 15 credits, then perhaps we could consider bringing this down to the final 30 credits, In now 24 credits completed at ISU. Otherwise, students are required to take two-16 credit semesters. Also, as it is noted in the catalog, we are allowed to waive 6 credits with permission. Since the catalog automatically makes an allowance for 6 credits to be waived, It would make sense to drop this down. Other Policies <ul style="list-style-type: none"> Academic Integrity – online courses/exams Academic Renewal <ul style="list-style-type: none"> To be eligible ‘Students must not have graduated from Iowa State University’ Question – are students eligible in they transferred to another university, earned a degree and want to return to ISU? https://catalog.iastate.edu/registration/#reinstatementrenewaltext Posthumous degree 	Terri Boylston Jennifer Suchan
