#### 2C. Transfer Deficiencies
One issue we have been seeing within the office, for continuing students, we add every single grade for a course and add it to the student’s record. We are now seeing more students with transfer deficiencies. We are sometimes delaying the student’s degree conferral due to transfer deficiencies.

#### 2D. Policy/Issue Prioritization
- From 100 Ideas in 100 Days discussion
  - Requirements for re-admitting students (following dismissal) – consistency across colleges
  - Progress/Probation/Warning Policy – differences for students with > 75 credits
- Maximum credit limit per term (18 cr – undergrad) – different limits for students on probation/warning? 
  (https://catalog.iastate.edu/registration/#limitsholdstext)
- Review policy for transfer deficiencies
- Drop limit – consistency across colleges, change from class count to credit count, should there be a drop limit? 
  (https://catalog.iastate.edu/registration/#limitsholdstext)
- Other Policies
  - Academic Integrity – online courses/exams
  - Academic Renewal
    - To be eligible ‘Students must not have graduated from Iowa State University’
    - Question – are students eligible in they transferred to another university, earned a degree and want to return to ISU? 
      https://catalog.iastate.edu/registration/#reinstatementrenewaltext
  - Designated repeats – change from credit count to class count, limit number of times a course can be repeated, graded to Pass/Not Pass? 
    (https://catalog.iastate.edu/academiclife/gradingsystem/#gradepoliciestext)
  - Posthumous degree
  - Academic misconduct – sanction for students dropping courses who have been accused of academic misconduct
