RE: Foreign Travel Grant Applications

This note is written to establish deadlines for Foreign Travel Grant applications for FY 2020-2021. The applications are due at noon in the Faculty Senate Office on the dates indicated. Please send the applications with the Dean's cover memo in pdf format to Sherri Angstrom, sangstro@iastate.edu. Foreign Travel applications can be found at the following website: <http://www.facsen.iastate.edu/foreigntravel>. These dates give each applicant two opportunities to apply, though applications before travel are encouraged.

<u>Travel Starting Date</u>	<u>Due Date</u>	<u>Notification of Award Date</u>
1 November 2020 - 30 June 2021	16 October 2020	6 November 2020
1 March 2021 - 31 October 2021	29 January 2021	18 February 2021
1 June 2021 - 31 January 2022	2 April 2021	22 April 2021

Please ask the chair of your college Foreign Travel Grant Committee to forward the applications to you in priority order so that it will be possible for you to meet these deadlines.

Please use the *Iowa State University Foreign Travel Grant Application Rules & Guidelines*, dated 7/20 and the *Iowa State University Foreign Travel Grant Application*, dated 7/20. Copies are attached or can be found at the following website: <http://www.facsen.iastate.edu/foreigntravel>. Previous editions of these forms are obsolete and should not be used. **It is also important that, as the Dean, you sign each application as approval for the applicant to be away from the university for the period indicated on the form.** FTG Criteria are given in the *ISU Faculty Handbook* (<http://www.provost.iastate.edu/resources/faculty-handbook>). Because competition for these grants is so keen, applicants are encouraged to study the criteria carefully.

The amount of the grant will be 75% of the airfare, to a single destination, as determined by an ISU travel agency. Because of this procedure, it is not necessary for applicants to obtain airline fare quotes. We have established this procedure because of the rapid changes in fares. Also, the university travel regulations require careful adherence to the rules.
