

Faculty Senate Research Planning and Policy Committee

Charge: *"Reviews issues of long term and short term importance to the ISU research efforts. Serves as the advisory committee to the vice president for research and economic development (VPR/ED), and prepares reports and recommendations on items of importance to the faculty and/or the VPR/ED."*

March 19, 2018 Meeting Minutes

Attending Members:

Ranjan Maitra, C J Seeger, Susan Wohlsdorf-Arendt, Julia Badenhope (Chair)

- Confusion over meeting time led to several members not attending. There was not a quorum.

Call to Order: Badenhope called the meeting to Order at 12:15 PM

Review and approval of the minutes from previous meeting was tabled until a quorum is present.

Review of Authorship Guidelines:

Attending members noted several grammatical errors, which suggests this is a relatively early draft. These were noted and forwarded to Guru Rao.

The group also noted that the policy repeats research misconduct policy rules, and suggests that existing policy should not be repeated in the text under authorship guidelines. Instead, we suggest the relevant components related to authorship be highlighted and then refer the reader to the research misconduct page.

Finally, the members agreed to share the link for open comments with our colleges, and to alert faculty at the college level of the opportunity to provide feedback.

Next meeting:

To be confirmed by Sherri Angstrom.
