

## Placement of Existing FH Sections concerning PRSs

**MOTION:** Take FH 5.1.1.5 and FH 5.1.1.5.1 out of FH 5 and insert at FH 3.4 and FH 3.4.1, respectively. Renumber FH 5 and FH 3 accordingly.

**RATIONALE:** The proposed changes move the definition and procedures for PRSs to the chapter concerning appointment policies rather than the chapter concerning review. Although the PRS is an important element of review, it is a generalized job description and thus a description of the nature of the appointment.
