Reinstatement 6. Juniors and seniors with extenuating circumstances may request a waiver of their required semesters of absence as identified in number 2 and 3 above. The petition requesting early reinstatement must be submitted to the Academic Standards Committee of their college no later than Thursday prior to the start of the term for which the student is seeking to be reinstated. The student must follow the procedures of the Academic Standards Committee of the college to which they are requesting early reinstatement.

Rationale: With the end of summer option, the decision was made to include information in the catalog regarding the process for early reinstatement from the required semesters of absence due to an academic dismissal. The original guidelines for the timing for submitting the petition was not feasible for some colleges. The committee recommends allowing each college to set the procedures and deadlines for requests for early reinstatement.
