Current Policy	Proposed Policy
<p>Catalog in Effect A student may choose to graduate under the catalog in effect at the time of graduation or a catalog for the previous five years, provided it covers a period of the student's enrollment. Full requirements of the chosen catalog must be met except that adjustments will be made in instances where courses are no longer available or where programs have been changed.</p>	<p>Catalog in Effect A student may choose to graduate under the catalog in effect at the time of graduation or a catalog for the previous six years, provided it covers a period of the student's enrollment at an accredited college or university. Full requirements of the chosen catalog must be met except that adjustments will be made in instances where courses are no longer available or where programs have been changed.</p>

Previous policy was vague as to whether the student’s enrollment was at Iowa State University or any accredited college or university. Also increased the enrollment period from 5 to 6 years to accommodate student’s taking longer to graduate.
